

1. BUYING NEW HEALTH INSURANCE

Buying health insurance is compulsory for all international students in Vietnam.

FPT coordinator will support students to buy new health insurance as procedure below:

- Coordinator fills in the request form for health insurance and sends it to the insurance agency.
- Pay the fee to the insurance agency. The fee is 160USD for one year. Student need to pay this fee for the coordinator.
- The insurance agency sends the Health insurance contract and Health insurance certificate.
- Coordinator sends the Health insurance certificate to student and guidance for claim.

2. HEALTH INSURANCE EXTENSION

FPT coordinator will also support students to extend health insurance. Student only needs to pay the fee for extending health insurance after receiving the announcement from Coordinator.

The fee for extending health insurance is 160 USD
